

A portrait of Kristi Kimsey, a woman with long, wavy hair, looking directly at the camera. The image is bathed in a warm, orange-red light, creating a soft, ethereal atmosphere. The background is a blurred, warm-toned landscape.

AS I LOOK BACK

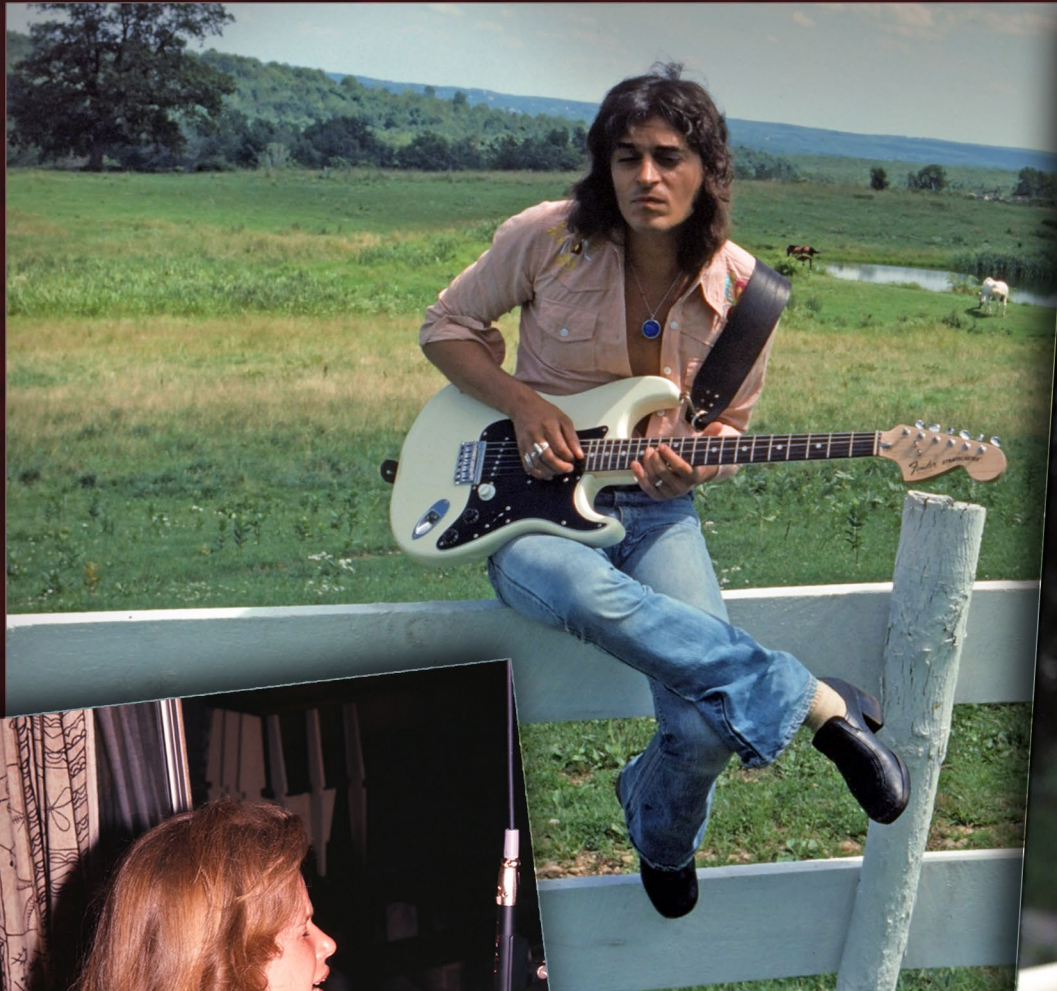

**As I look back I have such wonderful memories of recording my songs and duet.**

**Whilst recording 'Rings Around The Moon' at Longview Farm, Frank and the band heard my songs and wanted to record them with me. Always after dinner!**

**Everything was cut live with very few overdubs. It was such a thrill to hear my songs come to life with wonderful talented musicians.**

**'Trying To Get Back To You' (Hookend) was recorded by Alvin Lee at his Space Studios. Alvin and Mick Ralphs walked into the studio while I was singing and playing the piano and said 'Let's record this now!'**

**At Compass Point Studios, Keith invited me to sing 'Let's Go Steady Again' with him, which was a one take wonder!**

**Thanks to Chris for capturing all these precious moments in my life. To find and hear my songs after all these years, has been truly special.**
